

## Equipment List for NPS Membership Renewal

The Nikon products listed below may be selected to **re-qualify** for NPS membership. You are required to own a total of *at least* 2 Professional Bodies and 3 Professional NIKKOR or DX NIKKOR lenses.

The products listed under the Automatically Qualifying Equipment List will be eligible for Nikon priority repair service and continued NPS Membership.

You will have the opportunity to add your other Nikon equipment to your NPS Renewal on the Secondary Equipment List (this equipment *may* not qualify for Nikon priority repair service).

NPS will review the products you list on the Secondary Equipment List in combination with the products listed on the Automatically Qualifying Equipment List for continued NPS membership.
